DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16, 18, 20-23, and 48-63 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest "at least one barrier that prevents the adhesive material from flowing along at least one of the sides of the printhead to locations away from the at least one connector, wherein the at least one barrier contact and extends between the cover and the at least one of the sides of the printhead" in combination with the remaining claim elements set forth in claim 1 and its dependent claims. The prior art also does not disclose or suggest the claimed barrier comprising an adhesive material, the barrier comprising a dam comprising an adhesive material, or the barrier having a rounded cross-sectional shape in combination with the remaining claim elements as set forth in independent claims 7, 9, and 16, respectively, as well as their corresponding dependent claims. Further, the prior art does not disclose or suggest the means for preventing the adhesive material from flowing along at least one of the sides of the printheads to locations away from areas near the at least one connector comprises an adhesive material forming a dam along the at least one of the sides of the printheads in combination with the remaining claim elements as set forth in claim 20 and its dependent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
